February 23, 2017

A.J.P. Engineering Services is a Winnipeg, Manitoba based consulting engineering firm with over 35 years of service to various industries. We provide practical hands-on engineering solutions, working directly with Owners, Manufacturers and Contractors, utilizing the resources and tools readily available in order to minimize implementation costs and time.

We currently have the following position available:

Position: Draftsman - CAD Piping Designer

Term: Full time, permanent

Location: Winnipeg, MB

Standard Hours: 8 hours/day, 5 days/week

Salary: Negotiable

Start Date: Immediately

Qualifications include:

- A Drafting Design Diploma from an accredited technical institution (or an Engineering technology diploma with piping design experience)
- Minimum 3 years of piping design and AutoCAD experience, creating piping isometrics and fabrication drawings
- Able to multitask and assist with multiple projects simultaneously
- Familiarity with regulatory codes and standards (ASME B31.1, B31.3, B31.9 etc.)
- Familiarity with reading piping specifications and P&ID's
- Sound knowledge of general drafting practices and guidelines
- Experience with other design software such as CADWorx 3D, Advanced Steel, Tekla, etc. will be considered an asset
- Experience with structural detailing and/or machine design will be considered an asset
- Field construction/supervision experience will be considered an asset
